

62 Murray Street East Devonport TAS

3 1 2

Beautifully renovated, with style and functionality in mind, 62 Murray Street is the ideal home for someone wanting those exterior cottage-like features, mixed with modern lux, and absolutely nothing left to be done!

So much thought was put into the style of this home, from the exterior colours, to the kitchen joinery, and bathroom tiles. The kitchen, living and dining area is open and sunny at the front of the home. The white and wooden kitchen joinery is soft-close, with matte black fittings and enough space for the family to spend time together baking cookies and eating them too.

Whether you're a "laundry person" or not, you'll love this one, white and wooden joinery, large subway tiled splash back and so much built-in storage. This space really adds to the contemporary style of the home, and almost makes
