

2 Deane Street Devonport TAS

3 1

Renovated with sophisticated style in mind, number 2 Deane Street sits only minutes from the CBD, and within walking distance to the Devonport Bluff.

The exterior of the home recently painted in grey tones, surrounded by established greenery and plants, and finished off with a new letterbox and front deck, gives this residence that face lift that it was longing.

The updates don't stop there, inside you'll find a refreshingly updated kitchen, with white joinery, and a subway tiled splash back - this space allows for a small dining table.

Spacious and warm, the living area sits off the kitchen. Temperature controlled by the heat pump, and allowing for multiple furniture placement options, this area is the perfect space to unwind and relax.
